

Shoaib Mohammed Mohiuddin

+91 – 9611460971

shoaibmm7@gmail.com

RT Nagar, Bengaluru, Karnataka

Objective:

To continue the process of learning with the industry and to effectively and significantly contribute my technical skills and work as a team member for the growth of the organization and thereby secure a challenging position.

Technical Summary:

PYTHON

- Python flow control and functions.
- List & list comprehensions, dictionary and OOP.

DATA SCIENCE

- Good knowledge of Data Munging, Web APIs, Web Scraping, GIT Version Control.
- Understanding of Pandas, NumPy, Matplotlib.

SQL

- Good in writing SQL queries.
- Knowledge of joins and sub-queries.

C

- Good knowledge of arrays, stacks, queues, pointers.
- Good knowledge of OOP concepts.
- Excellent coding & debugging skill.

Education:

Graduation: Completed B.E in **Electronics & Communication Engineering** from “HKE Society’s SLN College Of Engineering, Raichur” in the year 2017 with **77.07%**.

PUC: From “Vidya Bharati PU College, Raichur” in the year 2013 with **87.83%**.

SSLC: From “Vidya Bharati High School, Raichur” in the year 2011 with **92.96%**.

Academic Project:

A Custom Internet of Things Healthcare System

- The objective is to demonstrate how internet of things (IoT) is transforming healthcare and the role of IT in healthcare.
- Developing a biomedical instrumentation prototype for acquisition, processing and transmission of biomedical signals. These biomedical signals are acquired and then processed with a microcontroller.
- After processing, all data are sent to a communication interface that can send this information to a personal computer or a smartphone.
- This leads to e-health system that, in real time manner, supplies a valuable set of information relevant to all of the stakeholders (patients, medical and paramedical stuff, and health insurance) regardless their current location.

Achievements:

- Participated in various workshops and conferences on IoT, LabVIEW & VLSI.

- Presented a paper on Molecular Electronics at technical fest held at Navodaya Institute of Technology, Raichur.
- Participated in extra-curricular activities at school and college level.

Professional Strength:

- Self-learner
- Team player

Personal Profile:

Date of Birth : December 01, 1995
Nationality : Indian
Father's Name : Mohd Auliya Mohiuddin
Languages Known : English, Hindi, Kannada, Urdu

Declaration:

I certify and warrant that the information and details supplied by me in this document are true, accurate and correct, as well as up-to-date.
