

PROFILE

I have completed my post-graduation program in UI/UX from Wiztoon Academy of Media and Design, with a deep passion for understanding how technology impacts people's behavior and influences their habits. I am always seeking the company of creative and inspiring people to spark mutual growth.

(Post graduate program in UI/UX)

Jan 2021 – Mar 2022
[Wiztoon Academy Of Media And Design - Bengaluru]

Bachelor in Education

Aug 2012 – Sept 2013
(Regency teachers training college Sitapur U.P.)

Bachelor of Science

Aug 2008 – Sept 2011
(Sacred heart degree college Sitapur U.P.)

PROJECTS

Food waste management (App UI Design)

Learnt the use of UI/UX deliverables while creating the app by Empathising, Defining, Ideating, and Testing.

Water drinking reminder app

Learnt the importance of **UX LAWS** while creating the app. Also learnt about gamification and how it works.

Branding / Packaging

Worked on several projects related to branding.

GRAPHIC DESIGN

Worked on projects like poster designing use of 3D in graphic design layout design brochure design and template design. These projects also give me better understanding of color, typography and layout for a design
