C. Praveen

I am an aspiring designer, new to the UI/UX design world. I have done Bachelors in hotel management and have a total of 4 years of experience in customer service post which is decided to switch to UI/UX design to put forth my creativity and experience into creating something beautiful for the digital world with the means of design.

Work Experience

Food & Beverage Assistant

-The Oberoi, Bengaluru (2years 6 months)

I started my career at The Oberoi, Bengaluru where I worked as a Food & Beverage Assistant. My major responsibilities involved taking care of the guest and the restaurant. We were been constantly trained to create an impression on the guest and empathise with the guest as and when necessary.

Food & Beverage Associate competent

-ITC Gardenia, Bengaluru (1year 3 months)

I worked in ITC Gardenia as a F&B associate competent and my major role involved intraction with guests, empathysing with them and assisting them as and when required. I had to make sure that a guest who enters the restaurant is well taken care of.

Education & Qualification
