EDUCATION

Bachelor of Engineering -Jun 2016– May 2019
Specialization :   Electronics and Communication Engineering
University , College : Vishveshwaraiah Technological University,
Siddaganga Institute of Technology, Tumkur,India

Diploma- Jun 2013– Apr 2016

Specialization : Electronics and Communication Engineering

College :DRR (Govt) Polytechnic, Davangere , India

TECHNICAL SKILLS

- ❖ C, Java, Python,XML ,YAML
- ❖ AWS: EC2,S3,Lambda,SNS …
- ❖ Openshift Platform [Caas]
- ❖ Jenkins
- ❖ VCS:Bitbucket,Git
- ❖ Docker Container,Kubernetes Orchestration, Helm Packages
- ❖ Prometheus,Grafana, Log view:Splunk
- ❖ SSH Tectia Client Linux Based Server
- ❖ OpenText Application: InfoArchive,OTDS
- ❖ Agile,Waterfall, JIRA Dashboard

CERTIFICATES

- ✧ AWS Solution Architect- Associate (SAA-C02)
- ✧ AWS Solution Architect by Besant Technology.
- ✧ Docker Certificate by Udemy
- ✧ Kubernetes Certificate by Udemy
- ✧ OpenShift Certificate by Udemy
- ✧ Programming in Java by NIIT
- ✧ Industrial Training Programme for 6 weeks by APSIS Solution

ACHIVEMENTS

- ✧ Participated State level and National level Chess , won several competitions.
- ✧ Certification of Volunteer in Technisium 2019 Siddaganga Institute of Technology.
- ✧ Certification of Participation in "Agricultural and Industrial Exhibition " held at Sree Siddaganga Institute of Technology 2019
