EXPERIENCE

Client Specialist
Siemens, Bangalore
JUL 2019 – MAR 2021

I was part of Siemens Healthcare domain overseeing business operations all over India. Main duties include handling clients over the phone/Email, service request creation, Technical and Purchase order completion using SAP. I was closely working with the Lead Department to generate leads depending on client requirements.

Project Coordinator
Sunray Group, Canada
JAN 2015 – APR 2017

At Sunray, I was part of Project Management team overseeing management, coordination and inspection of development projects worth $3M CAD. I have created and maintained communication for clients, employees and other vendors for keeping project progress on track, Ensured that all project phases are prepared and issued in accordance with Project Management procedures.

Project Intern
City of Peterborough, Canada
MAY 2014 – AUG 2014

I was part of the Doors Open 2014 event conducted by City of Peterborough. Conducted research, survey analysis and submitted project report to City of Peterborough.
