# Short Profile of Aravind K.

Final Year MCA Student, SJCE, Mysore; +91 7353314123; kolurarvind@gmail.com

---

I am looking for opportunities as a Junior business/technology/data analyst in a reputed company.

Presently, I am a final year MCA Student at SJCE Mysore.

## EDUCATION SUMMARY
- **Post-Graduate:**
    - **MCA** at Sri jayachamarajendra College of Engineering, Mysore with a GPA of 7.3 (First Class with Distinction). Expected to finish in 2022.
- **Undergraduate:**
    - **BCA** at Vijayanagar Degree College, Hospet with a GPA of 7.1 (First Class), 2019
- **PUC:** Vijaynagar Pre-university College, Bellary; Second Class, 2016
- **10th Standard / SSLC:** National English Medium High School, Hospet; First Class, 2013

## TECHNICAL SKILLS
- Basic Java, C/C++, and Python; Python libraries like numpy, matplotlib, and scikit-learn.
- Introduction to Analytics
- Git, VSCode, and Visual Studio IDE
- Wordpress

## TRAINING/INTERNSHIP
- **Internship/Training in Web Development (March 2022 - June 2022 (Expected)):**
    - **Company Name**: Letspro Training Institute, Mysore
    - **Summary:** The objective of this training is to provide e-commerce solutions to small-scale businesses like rice mills, chocolate factories, and local books stores in order to improve their online footprint, and therefore sales.
    - **Role:** Working as a backend developer and as a business analyst to gather the requirements from the client and design the workflow of a project.

## ACADEMIC PROJECTS
- **Soil Based Crop Recommendation System:** Uses environmental factors and soil nutrient measurements to recommend suitable crops. Implemented using the Python Data Science Stack.
